* All times and dates are still tentative. Subject to change based on permits, field availabilities, and logistical adjustments.

Last year, we had an increase demand to move our Girls' team into a full-CIF schedule. We were able to compete in a highly competitive league. After the successful completion of the season, we are hoping to build on that momentum. We've increased our games, as our league has expanded. This will also be coupled with more practices, and there will have to be a commitment, both time and monetary. What each girl puts in, is what she will get out.

Parent Meeting time/date: Still to be determined. Likely in late-September, early- October.

Practices:

All Monday practices will be at North Hollywood Recreation Center, unless otherwise specified. All Wednesday practices will be at North Hollywood High School (pending permit), unless otherwise specified. Practices are generally 6-8pm. Some of these are still in flux and subject to change.

Games:

All Tuesday or Wednesday HOME games are generally at North Hollywood High School with a 6:30pm start time (field available 6-8pm, permit pending). Games on Thursday still do not have a set location. All road games locations and specifics will be sent closer to game-day. Many of these are still in flux and are subject to change.

Fee: \$475 (\$50 discount if paid by September 30)

There is a fee involved. Covers the cost of uniforms, field rental, equipment, officiating fees, CIF membership fees, and coaching stipends. Athletics does not generate revenue, but we do hope to cover our expenses through fees and through fundraising. Each team is required a fundraiser.
